As per your request, we are pleased to provide a price for the installation of a new buffer tank at 104700 Overseas Highway – Key Largo Baptist Church.

\$ 18,250.00

**Includes:**

- Trenching and installation of one (1) single buffer tank
- Installation of buffer tank extension
- Installation of one (1) cleanout
- Installation of one (1) dedicated air intake
- Backfilling and compaction to FDOT specifications
- Asphalt repair
- Connection to 10" vac main and 3" piping from buffer tank to main.

**Notes:**

- a. This proposal is based on performing all work as outlined, with one (1) mobilization to project site. Any deviation from proposed scope of work and/or additional mobilizations will affect price quoted.
- b. Interior air-vac parts for the buffer tank are not included.
- c. Any/all permits and/or associated fees are not included.
- d. Scope of work is explicitly described, therefore, any omissions in the exclusions does not constitute any additional scope of work on our behalf. Any alterations regarding our scope of work could result in price adjustments.
- e. Conflicts with any unmarked utilities may result in additional fees.
- f. This proposal is valid for thirty (30) days only.
