Re: Calusa Campground Maintenance and Service Agreement

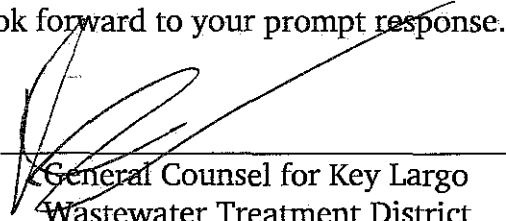

Dear Mr. Acuna:

It was a pleasure discussing with you the Calusa Campground Maintenance and Service Agreement.

I have requested from our Finance Department a breakdown of the labor, materials and expenses incurred by KLWTD for maintenance and servicing of Calusa Campground's sewage collection system. I will forward the document to you upon receipt.

In the meantime, the KLWTD Board of Commissioners will be taking up the matter of the Maintenance and Service Agreement at its February 5, 2019 meeting. If possible, I would like to have sufficient time to discuss with you any proposed revisions or objections you may have to the body of the Agreement itself. We can address separately the Costs and Fees Schedule attached to the Agreement.

I look forward to your prompt response.
